

# Connect with Career Services

Visit: [careers.gmu.edu](http://careers.gmu.edu) for more resources

## **Handshake ([handshake.gmu.edu](http://handshake.gmu.edu))**

Your new career management system! Complete your profile and get a personalized dashboard of employment opportunities and event recommendations based on your career interests.

## **Access the following career resources at [careers.gmu.edu/career-resources](http://careers.gmu.edu/career-resources)**

### **Interviewstream**

Practice interviewing in your home with your webcam! Choose from any pre-made interview, or customize your own set of interview questions.

### **Passport Career**

This resource will help you identify international job opportunities and provides access to a H1B Database.

### **Lynda**

Refine your set of professional skills through free, on-demand training courses on topics such as: Excel, Business Writing, Managing Conflict and Developing Executive Presence.

### **Career Shift**

Career Shift searches every career site and job board. Users can search by job title, company name, keywords or location. Relevant jobs can be saved and organized by users. Company name, keywords, or location.

Students in the School of Business, School for Conflict Analysis and Resolution, Scalia Law School, and Schar School of Policy and Government should contact the career services offices within their school for appointments and walk-ins.

University Career Services offers in-person, phone and video appointments. Call 703-993-2370 or use Handshake to schedule an appointment with a career counselor or industry advisor.
