Student Health Services

About Student Health Services

Student Health Services provides accessible and affordable health care to **all currently enrolled Mason students** in a caring and confidential environment. We offer a wide variety of services to keep our community healthy.

Services

- Diagnosis and treatment of illness and injury
- Allergy clinic (Fairfax Campus only)
- Chronic health concern appointments
- COVID evaluation and testing
- Immunizations
- Laboratory services
- Medication management
- Men's healthcare
- Mental health screening
- Nutrition counseling
- Physical exams
- PrEP
- Sexually transmitted infection (STI) screening/treatment
- Transgender healthcare
- Help quitting smoking or using tobacco
- Women's (gynecologic) healthcare

How to make an appointment

Call the Fairfax Campus Clinic at 703-993-2831 during open hours to schedule an appointment, speak with a nurse, or access the after-hours nurse advice phone service. Services by appointment only.

Eligibility

All currently enrolled students are eligible to receive health care at our facilities. Upon graduation, students may be seen in Student Health Services until the end of the month in which they graduate.

Fees

There is no charge to be seen by one of our healthcare providers. There are fees for lab tests, immunizations, medications, supplies, physical exams, procedures, and some services. Payment is due the date of service. Visit shs.gmu.edu/fees for details.
